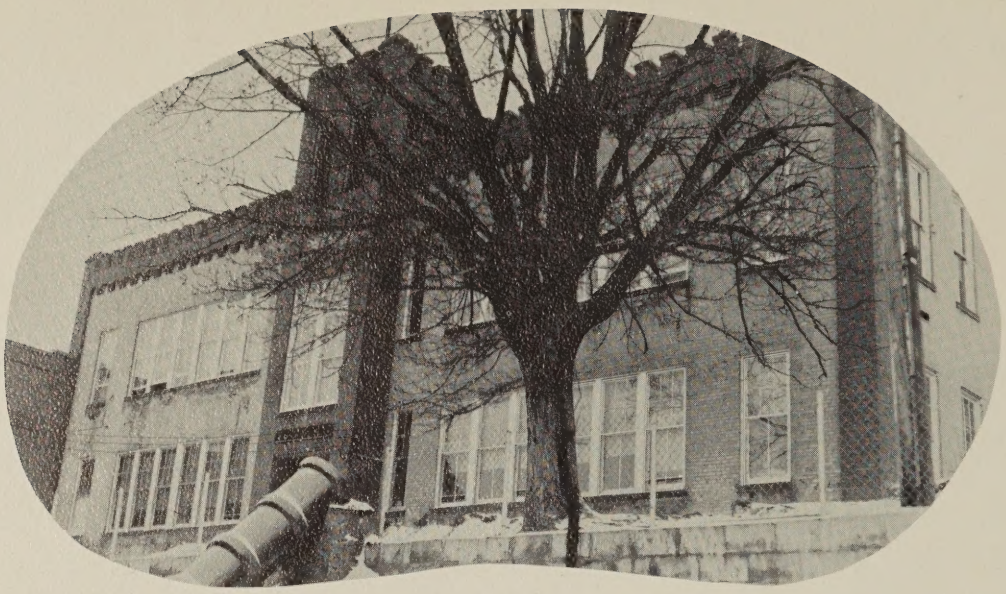
the 1955 WIGWAM

Welcome to Our School and Town

The Editors



FOREWORD

Education is a door - - a gateway to the fuller, richer life. In the years to come, this yearbook will keep alive the memories gathered during the under-graduate days we have spent in our school. The future years will bring new faces and changes to our school, but for us, there shall be this yearbook of our friends, the things we did, and the memories that are dear to us.

The Editors

DEDICATION

We, the Senior Class of the Pocahontas High School, dedicate this 1955 Wigwam to Miss Frances Chandler and Miss Patricia Ratliff.

We wish to express our thanks to them for helping to improve and make ours a better and a more outstanding school.

This is but an humble effort to show our appreciation for their three previous years of leadership at our school.

CONGRATULATIONS

To The

GRADUATING CLASS

FULLY ACCREDITED

A good school specializing in many branches of professional business training.

You receive personal consideration of your interests or problems the moment you visit McLains. Guidance, Admissions and Placement are at your service. Small classes mean a more personalized education. A well-balanced program of study. Today, the expression "learning the business" is fast disappearing from the vocabulary of business men. Modern business hasn't time to vocationally start out its employees. The trained ones win!

Well organized social activities, and athletic program to better prepare for social and civic leadership. You train for a definite career goal. By studying only subjects directly related to the business field of your choice, requires shorter time with a resultant lower cost. It pays to prepare at McLains—just ask anyone who knows.

Sue,
Best of luck and much love to one of the cutest and sweetest girls I have ever known. Be as cute and sweet as you are and you will really go places in High School as well as other places. Always remember our first (1.T) Band Camp together especially the 1st day when you hit the cook 11 times straight. Also the nights and the fun we had in the tents (playing cards) and by the camp-fire. Remember Bobby Shupes tent's and the time we came back from the pool and you and Johnny hit it right well at the boy's camp. (in front of Shupe's tent) We have always had fun at Falls Mills and the night you stayed with me and we were the only ones there! Always remember me as I could never forget you.

Love
Lynda
and Ed

P.S. We had fun that evening we explored the W- W-, the H- and the C—— plus the Dogs.
